

Your skills are needed. Become a Virginia State Parks Volunteer

READY!

State parks and master naturalists are **alREADY** natural partners.

SET!

Get yourself SET to volunteer (and earn benefits) by filling out a Virginia State Parks application at www.dcr.virginia.gov/state-parks/volunteer-form.

GO!

Then, GO, and plant trees, tend a pollinator garden, survey frogs, build bluebird boxes, lead bird walks, maintain trails, teach about conservation, run a discovery center, pull invasive plants, explore nature with park visitors, grow oysters, or choose from many other critical projects.
